- on junior section fees: the sibling discount

To Pay by Direct Debit (For those new to the scheme)

We will take 12 payments from the month after you join. To pay by direct debit please complete both this form and the direct debit mandate form.

¹The DD price is indicative only. The banks can take around 7-10 to activate a direct debit mandate once it has been submitted. If your mandate is not received in time for the first run then payments will start a month late and be spread over 11 months. For display purposes the fee is shown as the closest whole pound to the actual value.

²We have a minimum monthly payment of £16, unless this is paid in conjunction with another membership, this will be collected over 9 months.

³Any member who cancels their direct debit and rejoins within 6 months must give a reason that the Club Committee accept as valid. This is due to the cost of re-instating direct debits. Failure to provide an acceptable reason will incur a £50 administration charge.
